Dear Ms. Price,

Congratulations! The curriculum submitted by HomeTown Health, LLC for the Hospital Leadership Training Standards has passed the external review process. **The Georgia Rural Health Innovation Center is pleased to certify this curriculum as of October 14, 2019 until October 14, 2021.**

Continued certification is contingent upon compliance with all reporting and quality assurance requirements. Please note that the reporting requirements have been updated and now require monthly reports from certified trainers. More information will be forthcoming by the end of October regarding reporting. The Center reserves the right to convene focus groups, complete observations, and conduct surveys of Learners and Hospital Leadership as deemed necessary for quality improvement and feedback.

Please display the following notice on all material relating to the approved curriculum:

This curriculum has been certified by the Georgia Rural Health Innovation Center as having satisfied the training requirements found in O.C.G.A. § 31-2-16.

We appreciate your dedication to strengthening rural Georgia's hospitals. Please do not hesitate to contact our staff with any questions.

Sincerely,

Debra Stokes
