

# Welcome to HTHU! Instructions for Access

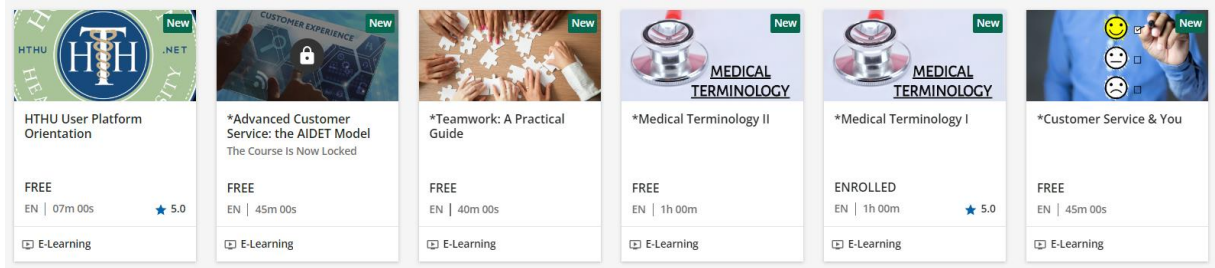

1. Go to <https://lms.hthu.net>
2. Click the green SIGNIN button at the top right.
3. Enter the username/password provided to you by your teacher/instructor.
4. Scroll down slightly on your dashboard. You'll see 3 columns – click on the course card in 'courses not started' that matches the course your instructor has advised you to complete.

5. Click on 'begin learning/start learning' to start the course. *We recommend expanding the course player for best visibility.*
6. Complete all training materials including videos, quizzes, self-paced modules, and evaluation to secure your completion certificate.

## Need to enroll in additional courses?

1. Scroll down on your dashboard to see the available training courses.

2. Click on any course card to view description and click the "ENROLL" button to add the training to your account.
3. Once a course opens, click the "BEGIN LEARNING" option in the middle of the course player to begin.

## Returning to Finish Your Education or Enroll in New Training:

1. Visit <https://lms.hthu.net>
2. Click SIGN IN and enter your credentials.
3. Scroll down to the 'courses not started/in progress' section to resume learning.
4. Scroll down to courses available section to enroll in new training.
